*Merry Christmas and Happy New Year!*

We've had another great year and hope you did also. Our biggest news was welcoming our 4th son to the world! On October 26, Grant Clemens Geissler was born weighing a whopping 9 lbs, 4 oz. and 22" long. Rex had a vasectomy by Thanksgiving <grin>! Our family vacation was to Dinosaur National Park, Park City, Utah, and swimming in the Great Salt Lake. In July, we hosted a McDonald Family Reunion & Michele's Mom's 60th Birthday Party with many family & friends visiting Colorado. Rex traveled to the Hittite Capital, signed a new contract with Ataturk University, and hiked on Mt. Ararat in May. Michele continues to work in Sales part time but devotes most of her time to being home with the boys. Chase (11) was baptized into Christ this fall, Parker (8) was in his first play (Charlotte's Web), Jonah (21 months) loves trains and has become quite a ham! We hope you have a blessed year!
