

Table Survey

The bible says Jesus came to offer eternal, forgiven & abundant life.

- **Eternal life** is a forever relationship with God in heaven that even death can't destroy. It answers the question, "What happens after I die?"
- **Forgiven life** is the joy of God erasing all our guilt and removing all our shame. It answers the question, "What can I do about my guilt and shame?"
- **Abundant life** is power over temptation, peace in the midst of trails and purpose that satisfies above all else. It answers the question, "Is there more to life than this?"
