1. The parameters for credit transfer are outlined in Addendum A. Valid Modesto Bible College credits with a minimum 2.0 GPA on a 4.0 scale will meet SEU degree requirements as outlined. The student must have successfully completed both of the specified Modesto Bible College courses in order to be awarded transfer credit for the specified SEU course. If students only have one of the two specified Modesto Bible College courses, SEU will not grant partial credit. All Modesto Bible College courses, credits, and faculty credentials must be vetted by SEU staff for approval.
2. This crosswalk makes the assumption that students transferring into SEU under this articulation agreement will declare their major in the Associates of Ministerial Leadership (AML) or the Bachelor of Science in Ministerial Leadership-Christian Ministry track (BSMLM) degree program.
3. For more information contact Southeastern University at (863) 667-5000 or registrar@seu.edu. If you call, ask for the registrar and then ask about the articulation agreement between Southeastern University and Modesto Bible College. Please note that acceptance to SEU is a precondition for articulation acceptance. Make sure your MBC classes are going to be accepted before you take and complete them.
